

# INFORMATION TECHNOLOGY

---

Shape the digital world and innovate for tomorrow by writing software, configuring secure networks or leading business tech innovations.

- Artificial Intelligence (AIG) (<https://cat.senecapolytechnic.ca/programs/aig/>)
- Bachelor of Computer Science (BCMS) (<https://cat.senecapolytechnic.ca/programs/bcms/>)
- Bachelor of Engineering (Software Engineering) (BSA) (<https://cat.senecapolytechnic.ca/programs/bsa/>)
- Business Information Technology (BTT) (<https://cat.senecapolytechnic.ca/programs/btt/>)
- Cloud Architecture & Administration (CAA) (<https://cat.senecapolytechnic.ca/programs/caa/>)
- Computer Engineering Technology (ECT) (<https://cat.senecapolytechnic.ca/programs/ect/>)
- Computer Programming & Analysis (CPA) (<https://cat.senecapolytechnic.ca/programs/cpa/>)
- Computer Programming (CPP) (<https://cat.senecapolytechnic.ca/programs/cpp/>)
- Computer Systems Technician (CSN) (<https://cat.senecapolytechnic.ca/programs/csn/>)
- Computer Systems Technology (CTY) (<https://cat.senecapolytechnic.ca/programs/cty/>)
- Cybersecurity & Threat Management (CYT) (<https://cat.senecapolytechnic.ca/programs/cyt/>)
- Database Application Developer (DAD) (<https://cat.senecapolytechnic.ca/programs/dad/>)
- Honours Bachelor of Commerce – Business Technology Management (BTM) (<https://cat.senecapolytechnic.ca/programs/btm/>)
- Honours Bachelor of Data Science and Analytics (DSA) (<https://cat.senecapolytechnic.ca/programs/dsa/>)
- Honours Bachelor of Information Technology - Cybersecurity (IFS) (<https://cat.senecapolytechnic.ca/programs/ifs/>)
- Honours Bachelor of Information Technology Design and Management (BDM) (<https://cat.senecapolytechnic.ca/programs/bdm/>)
- Honours Bachelor of Technology - Software Development (BSD) (<https://cat.senecapolytechnic.ca/programs/bsd/>)
- Project Management – Information Technology (PMC) (<https://cat.senecapolytechnic.ca/programs/pmc/>)
